

Dear Senior Parent,

In the past, the UCHS PTSA has offered the opportunity for seniors to participate in a Disney Senior Trip at the end of their senior year. This trip for the past several years has included a park-hopper ticket for day use and a grad-only party from 10pm – 2am at California Adventure. Last year's trip price including the ticket and bus transportation was about \$130.

This year, Disney has changed their policy and is offering 2 options.

The first option includes a ticket to California Adventure park only for the day and a grad-only party in California Adventure from 9pm – 2am and will cost approximately \$140 (subject to change based on bus cost).

The second option includes a park-hopper (both parks available) ticket for day use and the party in California Adventure and will cost approximately \$180 (subject to change based on bus cost).

The PTSA is seeking parental input to help determine how to proceed in light of the different options and significant price increase.

Please check **one** of the following to indicate your preference below and have your student return this form to room 604 (Mrs. Quessenberry's room) by Friday September 1st.

Choosing an option in no way obligates you to purchase anything – the PTSA is just seeking input.

Students who return the form will be given priority for ticket-buying in spring (if the event is held).
